Political Ideologies An Introduction ... Andrew Heywood A unifying set of political ideas and values can develop naturally within a society. However, it

### **Political Ideologies An Introduction**

Anarchism is unusual amongst political ideologies in that it has never succeeded in winning power, at least at a national level. As no society or nation has been re-modelled according to anarchist principles, it is tempting to regard anarchism as an ideology of lesser significance.

political ideologies: an introduction (pdf) by andrew heywood (ebook) 'The great merit of Andrew Heywood's book is that he takes ideology seriously, and

### **political ideologies: an introduction (pdf) by andrew**

The term "liberalism", to denote a political allegiance, made its appearance much later: it was not used until the early part of the nineteenth century, being first employed in Spain in 1812. By the 1840s, the term was widely recognized throughout Europe as a reference to a distinctive set of political ideas.
