AP's high school World History course is a rigorous, college-level class that provides an opportunity to gain the skills and experience colleges recognize.

**AP World History " Students " AP Courses " The College Board**

Advanced Placement (AP) is a program in the United States and Canada created by the College Board which offers college-level curricula and examinations to high school students. American colleges and universities may grant placement and course credit to students who obtain high scores on the examinations. The AP curriculum for each of the various subjects is created for the College Board by a ...
