

### **christendom and european identity pdf**

Pan-European identity is the sense of personal identification with Europe, in a cultural or political sense. The concept is discussed in the context of European integration, historically in connection with hypothetical proposals, but since the formation of the European Union (EU) in the 1990s increasingly with regards to the project of ever-increasing federalisation of the EU.

Christendom [page needed] has several meanings. In one contemporary sense, as used in a secular or Protestant context, it may refer to the "Christian world": Christian-majority countries and the countries in which Christianity dominates or prevails, or, in the historic, Catholic sense of the word, the nations in which Catholic Christianity is the established religion, having a Catholic ...
