

identity in modern society pdf

Scottish national identity is a term referring to the sense of national identity, as embodied in the shared and characteristic culture, languages and traditions, of the Scottish people.. Although the various dialects of Gaelic, the Scots language and Scottish English are distinctive, people associate them all together as Scottish with a shared identity, as well as a regional or local identity.

International Journal of Humanities and Social Science Vol. 3 No. 11; June 2013 225 For instance, while the religious identity was more influential and determinant in pre-modern Europe, with the

The Construction of National Identity in Modern Times

Gender identity is the personal sense of one's own gender. Gender identity can correlate with assigned sex at birth, or can differ from it. All societies have a set of gender categories that can serve as the basis of the formation of a person's social identity in relation to other members of society. In most societies, there is a basic division between gender attributes assigned to males and ...
