Obesity in the United Kingdom is a significant contemporary health concern, with officials stating that it is one of the leading preventable causes of death. In February 2016, former Health Secretary Jeremy Hunt described rising rates of childhood obesity as a "national emergency".. Data published as a part of the World Health Organisation (WHO) study in 2014 indicated that 28.1% of adults in ...

The Polish community in the United Kingdom since the mid-20th century largely stems from the Polish presence in the British Isles during the Second World War, when Poles made a substantial contribution to the Allied war effort. Most of the Poles who came to the United Kingdom at that time comprised military units reconstituted outside Poland after the German and Soviet invasions of Poland.
