Complexity characterises the behaviour of a system or model whose components interact in multiple ways and follow local rules, meaning there is no reasonable higher instruction to define the various possible interactions.. The term is generally used to characterize something with many parts where those parts interact with each other in multiple ways, culminating in a higher order of emergence ...

Absolutely perfect machine. I bought this drum sander for thickness sanding top, back and side wood sets for acoustic guitar building. I used to use a 3" wide hand held belt sander and always got inconsistent results in thickness across the wood, and the occasional gouge from the belt sander tipping.

In The Church of Jesus Christ of Latter-day Saints, Heavenly Mother or the Mother in Heaven is the mother of human spirits and the wife of God the Father. Those who accept the Mother in Heaven doctrine trace its origins to Joseph Smith, the founder of the Latter Day Saint movement. The doctrine became more widely known after Smith's death in 1844.. The heavenly Mother doctrine is taught by The ...
