The Red Color in the Diamonds: The interior of the Diamond Willow stick is normally reddish. The red color in the diamonds is due to the bark and if you remove too much of the red from the diamond, you'll find that all the darker red (actually *brown*) is gone and you are left with only the red from the interior of the stick.

Making Diamond Willow sticks

About Dealing With Depression But depressed people do get better and depression does end. There are effective treatments and self-help skills to deal with depression. Health care professionals give
