Managerial Economics - majalil

I don't own a lot of managerial economics textbooks, but I can't imagine anyone doing a better job of mathematically presenting said concepts. What I didn't like about this book was the fact that it didn't offer much in the way of practical knowledge or application.

Managerial Economics (ebook) by W. Bruce Allen - eBooks.com

As the term suggests, managerial economics is the analysis of major management decisions using the tools of economics. Managerial economics applies many familiar concepts from economics—demand and cost, monopoly and competition, the allocation of resources, and economic trade-offs—to aid managers in making better decisions.
