Marketing Research: An Applied Approach | Request PDF

72 Australasian Marketing Journal 10 (2), 2002 One of the most important issues in marketing is the collection and analysis of market- related information, and the ability to use and to interpret it. The second edition of Marketing Research: An Applied Orientation claims to provide the knowledge and skills for doing so.

Marketing Research:An Applied Orientation

For undergraduate and graduate courses in marketing research. An applied and practical marketing research text. With a do-it-yourself, hands-on approach, Marketing Research: An Applied Orientation illustrates the interaction between marketing research decisions and marketing management decisions. This text uses a practical six-step framework for conducting marketing research, utilizing a variety of marketing companies to highlight qualitative and quantitative research strategies.
