have deemed it reasonable to fulfillâ€•(Tolstoy 1882: 30). It is possible to feel that way. But it is the more qualified, more elusive experience ... or origin of the midlife crisis, my project is not empirical. Our task is not to survey the history of those who claim to experience the

### **The Midlife Crisis - University of Michigan**

The midlife crisis: how to reach a solution? Psychologists suppose that the most important premise of the positive solution of the midlife crisis is the development of your own internal world, appearance, social manifestations. The constructive solution of this crisis leads to the improvement of self-organization and time-planning.
