### **Mind & Media | Strategic Communication & Video Production**

Top-of-mind awareness is an important concept in Consumer Behaviour, marketing research and marketing communications. Top-of-mind awareness is one measure of how well brands rank in the minds of consumers.

### **Top-of-mind awareness - Wikipedia**

Mind share relates generally to the development of consumer awareness or popularity, and is one of the main objectives of advertising and promotion. When people think of examples of a product type or category, they usually think of a limited number of brand names. The aim of mind share is to establish a brand as being one of the best kinds of a given product or service, and to even have the ...
