Barry Allen is a police chemist (his job title was changed to a forensic chemist in The Flash: Iron Heights one-shot) with a reputation for being very slow, and frequently late, which frustrates his fiancée, Iris West, as the result of being absent-minded and his devotion to crime-solving. One night, as he is working late, a lightning bolt shatters a case full of chemicals and spills all over ...

Traits of Character. Character demonstrates that a word may have many and varied meanings and yet still be easily understood by most listeners when used in disparate settings. We have little trouble distinguishing the meanings of the noun in "she had a fine and noble character," "Bill is always joking; he's such a character," and "He was the last character to appear in the play ...
