A diaper (American English) or a nappy (Australian English and British English) is a type of underwear that allows the wearer to defecate or urinate without the use of a toilet, by absorbing or containing waste products to prevent soiling of outer clothing or the external environment. When diapers become soiled, they require changing, generally by a second person such as a parent or caregiver.

Despite uncertainty about the single origin of Yakuza organizations, most modern Yakuza derive from two classifications which emerged in the mid-Edo period (1603â€“1868): tekiya, those who primarily peddled illicit, stolen, or shoddy goods; and bakuto, those who were involved in or participated in gambling. Tekiya (peddlers) were considered one of the lowest social groups during the Edo period.
