Investigative techniques. In seeking our "indicators of suspicion" in investigations, investigation will usually attempt to "establish which individuals had the means, motive, and opportunity to commit the crime" and to establish the relationships between the victim and any known offenders.

Criminal investigation - Wikipedia

A motive, in law, especially criminal law, is the cause that moves people to induce a certain action. Motive, in itself, is not an element of any given crime; however, the legal system typically allows motive to be proven in order to make plausible the accused's reasons for committing a crime, at least when those motives may be obscure or hard to identify with.
