British etiquette: manners/customs in UK/Britain/England

A duel is an arranged engagement in combat between two people, with matched weapons, in accordance with agreed-upon rules. Duels in this form were chiefly practiced in early modern Europe with precedents in the medieval code of chivalry, and continued into the modern period (19th to early 20th centuries) especially among military officers.. During the 17th and 18th centuries (and earlier ...

North American English. Linguists have attempted to isolate exactly what makes gay men's English distinct from that of other demographics since the early 20th century, typically by contrasting it with straight male speech or comparing it to female speech. In older work, speech pathologists often focused on high pitch among men, in its resemblance to women, as a defect.
