Energy Security Board - National Energy Guarantee - Issues

A National Security Council (NSC) is usually an executive branch governmental body responsible for coordinating policy on national security issues and advising chief executives on matters related to national security. An NSC is often headed by a national security advisor and staffed with senior-level officials from military, diplomatic, intelligence, law enforcement and other governmental bodies.

National Security Council - Wikipedia

Our government's embrace of torture shattered lives, shredded our nation's reputation in the world, and compromised our national security. Not a single torture victim has had their day in an American court, and our nation has not held to account any of the officials who authorized the use of torture or oversaw its implementation.

National Security | American Civil Liberties Union

The libertarian idea of society without a state appeals to many people, but, however enticing the idea, it is often dismissed as utopian. How could an anarchist society defend itself against large, centralized states? Defense, it has been alleged, cannot be adequately supplied by the free market. It ...
