

### **natural rights individualism and pdf**

Natural and legal rights are two types of rights. Natural rights are those that are not dependent on the laws or customs of any particular culture or government, and so are universal and inalienable (they cannot be repealed or restrained by human laws). Legal rights are those bestowed onto a person by a given legal system (they can be modified, repealed, and restrained by human laws).

### **Natural and legal rights - Wikipedia**

Individualism is the moral stance, political philosophy, ideology, or social outlook that emphasizes the moral worth of the individual. Individualists promote the exercise of one's goals and desires and so value independence and self-reliance and advocate that interests of the individual should achieve precedence over the state or a social group, while opposing external interference upon one's ...
