

obituaries and death related pdf

An obituary (obit for short) is a news article that reports the recent death of a person, typically along with an account of the person's life and information about the upcoming funeral. In large cities and larger newspapers, obituaries are written only for people considered significant. In local newspapers, an obituary may be published for any local resident upon death.

Obituary - Wikipedia

A premature obituary is an obituary published whose subject is not actually deceased at the time of publication. Examples of premature obituaries include that of inventor, businessman, and chemist Alfred Nobel, whose premature obituary condemning him as a "merchant of death" may have prompted him to create the Nobel Prize; black nationalist Marcus Garvey, whose actual death may have been ...
