To prevent too much liquid being lost from the child's body, an effective oral rehydration solution can be made using ingredients found in almost every household. One of these drinks should be given to the child every time a watery stool is passed. Ideally these drinks (preferably those that have been boiled) should contain: starches and/or sugars as a source of glucose and energy, some sodium ...

The one-state solution, sometimes also called a bi-national state is a proposed approach to resolving the Israeli–Palestinian conflict. Proponents of a unified Israel advocate a single state in Israel, the West Bank and the Gaza Strip, with citizenship and equal rights in the combined entity for all inhabitants of all three territories, without regard to ethnicity or religion.
