Protect and Survive was a public information series on civil defence produced by the British government during the late 1970s and early 1980s. It is intended to inform British citizens on how to protect themselves during a nuclear attack, and consists of a mixture of pamphlets, radio broadcasts, and public information films. The series had originally been intended for distribution only in the ...

Protect and Survive - Wikipedia

What is NSA's role in U.S. cybersecurity? Our main role is to help protect and defend National Security Systems: These include networks that contain classified information, or that are otherwise critical to military and intelligence missions.

1) Know your rights and responsibilities before selecting a mover. Before moving your household goods interstate, movers are required to give you the booklet entitled Your Rights and Responsibilities When You Move. This booklet will help you understand the documents that a mover will ask you to sign, and explains your rights if your household goods are lost or damaged.
