PANTONE SOLID UNCOATED PALETTE. - CMYK Colour Online

Solid Chips Book includes all Pantone spot colors as sharable perforated chips on coated and uncoated paper. Use this versatile format for adding color into design palettes, mood boards, or product sketches, attaching color to design files for sharing with your production partners, and for approving color on press.

Pantone - Official Site

Pantone color system is a popularly used standardized scheme that can be used to match colors to find the exact variety. Across different regions the shades of colors may change in accordance with their popularized names and also it is difficult to locate a color specifically by seeing its shade in a color chart.
