The Toyota Hilux (also stylized as HiLux and historically as Hi-Lux) is a series of light commercial vehicles produced and marketed by the Japanese automobile manufacturer Toyota. The majority of these vehicles were sold as pickup truck or cab chassis variants although they could be configured in a variety of body styles. Most countries used the Hilux name for the entire life of the series but ...

An engineering drawing, a type of technical drawing, is used to fully and clearly define requirements for engineered items.. Engineering drawing (the activity) produces engineering drawings (the documents). More than merely the drawing of pictures, it is also a language—a graphical language that communicates ideas and information from one mind to another.
