#1 NEW YORK TIMES BESTSELLER #1 AMAZON BUSINESS BOOK OF THE YEAR. Ray Dalio, one of the world's most successful investors and entrepreneurs, shares the unconventional principles that helped him create unique results in life and business—and which any person or organization can adopt to better achieve their goals.

Principles by Ray Dalio

Diabetes is a chronic disease that requires a person with diabetes to make a multitude of daily self-management decisions and to perform complex care activities. Diabetes self-management education and support (DSME/S) provides the foundation to help people with diabetes to navigate these decisions and activities and has been shown to improve health outcomes (17).

Guiding Principles on Business and Human Rights

Since the mid-2000s, organizational change management and transformation have become permanent features of the business landscape. Vast new markets and labor pools have opened up, innovative technologies have put once-powerful business models on the chopping block, and capital flows and investor demand have become less predictable.
