Since ancient times, casting runes have been used for divination and magic. Runic divination or casting runes is not "œfortunetelling" in the sense that one actually sees the future. Instead, casting runes give one a means of analyzing the path that one is on and a likely outcome. The future is not fixed. It changes with everything one does. If one does not like the prediction, one can always change paths.

Runes are not infallible, are not a supernatural oracle, and are nothing to fear. The runic alphabet, whilst said by many both past and present to carry a magical quality, is a means to self-awareness and self-development. Runes are said by some to carry strong healing vibrations, to protect their owner and to help with finances.
