

the accumulation of freedom pdf

Accumulation by dispossession is a concept presented by the Marxist geographer David Harvey, which defines the neoliberal capitalist policies in many western nations, from the 1970s and to the present day, as resulting in a centralization of wealth and power in the hands of a few by dispossessing the public and private entities of their wealth or land.

Accumulation by dispossession - Wikipedia

Wealth is the abundance of valuable currency or possessions which can be used for transactions. This includes the core meaning as held in the originating old English word *weal*, which is from an Indo-European word stem. An individual, community, region or country that possesses an abundance of such possessions or resources to the benefit of the common good is known as wealthy.
