The golden age of arcade video games was the era when arcade video games entered pop culture and became a dominant cultural force. The exact time period is disputed, but key moments include the release of

Space Invaders in 1978 and the vector-based Asteroids in 1979â€”moments made possible by the increase in power and decrease in cost of computing technology.

The 1938 Report on Streamline Trains discusses several streamlined trains that I havenâ€™t mentioned in previous posts, and while I donâ€™t have a lot of memorabilia for these trains they are worth presenting for the sake of completeness. The first are the Rock Island Rockets, which were transitional trains between the early Burlington Zephyrs and later full-sized streamliners such as the ...
