If you have no time to read a comprehensive book, read the minimum you should know about your brain; your most important tool to get the best from your brain and your technology.

About BrainChains - Google Sites

My Brain Hurts is the third studio album by the Chicago-based punk rock band Screeching Weasel. The album was originally released on CD, vinyl and cassette in September 1991 through Lookout Records. It was the group's first album on Lookout as well as the only release with bassist Dave Naked and the first with drummer Dan Panic, the latter of which would go on to appear on several of the band's ...
